

Statement of Attainment in Defence Preparation Science

TAFE NSW Course Number: 900-10591SV01 (19OTE-020)

Nominal Hours: 64

Course description

This short course contains the Science units of competency required for general entry to the Australian Defence Forces.

Successful completion of 900-10591EV01 Statement of Attainment in Defence Preparation English and 900-10591MV01 Statement of Attainment in Defence Preparation Maths, satisfies the academic entry requirements for general entry to ADF.

Additional completion of 900-10591SV01 Statement of Attainment in Defence Preparation Science is required for ADF trades entry.

We highly recommend you complete a personalised career and study profile to confirm this course is right for you, you will find the Career Voyage link below.

Other information

This course has 6 hours of tutorial either live or recorded and 58 hours of online instruction via the learning platform. You will need access to a computer with Internet, access to a printer, camera (your mobile phone with camera is adequate), access to a kitchen, common household products such as vinegar, bi-carb soda, pH paper, plus latex gloves, safety glasses, closed in leather shoes, lab coat or other long sleeved protective clothing, ruler and calculator.

To ensure you leave us with the most up to date qualification...

If during or after your enrolment, the course in which you are enrolled is updated in line with national industry standards, the Institute reserves the right to transition you into an alternate course. If this becomes necessary, the Institute will advise you of the change and the arrangements which will be available for you to complete your alternate course.

What are the entry requirements? (including Recognition of Prior Learning)

There are no entry requirements for this course

Credit (or recognition) for modules/units may be granted based on previous learning,

studies, work and/or life experiences. For more information on Credit visit the [Credit Pathways](#) page on TAFE Digital website.

<https://www.tafensw.edu.au/digital/getting-started/credit-pathways>

Please note: Some industries have their own legislative or licensing requirements. TAFE NSW recognition does not apply to these.

Under 17 and wanting to leave school?

If you are under 17 and want to leave school, your options have been affected by a recent change in NSW law. From January 2010 you must complete Year 10 and then continue in either full-time education, training, paid employment or a combination of these options until you're at least 17 years of age. More information about options for school students under 17 is available from our website:

oten.tafensw.edu.au/under17

What kind of work could I do?

This short course contains the Science units of competency required for general entry to the Australian Defence Forces (ADF).

Note: general entry into the ADF requires English and Math units; trades entry requires English, Math and Science units.

Pathway to university or higher education

Thinking of studying next year? Not sure if you should go to TAFE or uni? Let us help you decide. At TAFE NSW we offer you the flexibility to fast-forward your career with Pathways.

Choosing to study at TAFE before going on to uni can see you graduating and entering a competitive workforce sooner — and not with one, but two, nationally recognised qualifications! For more information visit oten.tafensw.edu.au/uni

What units will I study?

FSSSCN201 – Conduct basic research and experiments into matter and electricity

FSSSCN202 – Conduct basic research and experiments into aspects of introductory chemistry

FSSSCN203 – Conduct basic research and experiments into scientific aspects of workplace health

TSSSCN206 – Work safely in a science learning environment

The above list includes units being offered by TAFE Digital. If licensing in another state other than NSW is required, please check requirements with the relevant state.

How much is the course?

Smart and Skilled Student Fees

The cost of this course will vary based on your eligibility for a Smart and Skilled Student Fee. Eligibility criteria can be found on the [Smart and Skilled website](#) or you

**ON
COURSE**
FOR THE JOB
YOU WANT

can call us on 131 241 for further information and advice.

First qualification	\$0
Second qualification	\$0
Concession	\$0
Exemption	\$0
Non-government subsidised fee	\$930

Trainees: From 2016 if you are starting a traineeship that is on the NSW Skills List, your Smart and Skilled fee for the whole qualification will not be more than \$1,000.

This training is subsidised by the NSW government under Smart and Skilled. The student fee you will need to pay, will be determined according to your personal circumstances and eligibility for a subsidised place. You may also be eligible for a concession fee, fee exemption, or fee free scholarship. Payment made by instalments is available.

You may continue with enrolment into this course if you are not eligible for subsidised training, however the full training fee will be applicable. There are conditions to enrolment if you are a Temporary Visa Holder, to discuss your visa status and eligibility to enrol please phone 131 241.

For further information on fees and charges please see <https://www.tafensw.edu.au/get-started-at-tafe-nsw/fees-information>

Please ensure to read and understand the associated fee policies and conditions related to withdrawal from a course, applying for a refund of fees, applying for a deferral to your studies, and if you are behind in instalment payments.

For full details on TAFE NSW fees and money matters please visit our website: open.tafensw.edu.au/fees

I would like to talk to someone before I enrol

Please contact TAFE Digital Customer Service on 131 601.

We are committed to enhancing all students' prospects to reach their potential and achieve a positive future. We recognise that for some students additional support services are fundamental to ensure success. We have the following expert support services available which you may access by calling (02) 9715 8446 or 1300 655 993 to make an appointment: Counselling and Career Development, Disability, Aboriginal, Multicultural, Outreach, Adult Basic Education and Open Learning Centre Support Services.

Unique Student Identifier (USI)

From 1 January 2015, all students participating in Nationally Recognised Training in Australia will need to have a Unique Student Identifier, or USI.

This includes students completing an apprenticeship, skill set, certificate or diploma course.

A USI gives you access to your online USI account and will contain all of your nationally recognised training records and results from 1 January 2015 onwards. Your results will be available in your USI account in 2016.

When applying for a job or enrolling in further study, you will often need to provide your training records and results. One of the main benefits of the USI is that you will have easy access to your training records and results throughout your life.

How to get a USI

It is free and easy for you to create your own USI online at usi.gov.au. Your local Customer Service office can also provide further information and assistance. If you already have your USI you can enrol with TAFE NSW.

How do I enrol?

To enrol in this course please click on the Enrol Now button. You may also enrol over the phone by calling TAFE Digital on 131 601.
