Diploma of Website Development

TAFE NSW Course Number: ICT50615-01V03 (19OTE-002)
National Course Code: ICT50615
Nominal Hours: 1782

Course description
This qualification provides the skills and knowledge for an individual to design, build and manage websites as an independent web developer or as part of a team.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

We highly recommend you complete a personalised career and study profile to confirm this course is right for you, you will find the Career Voyage link below.

To ensure you leave us with the most up to date qualification...
If during or after your enrolment, the course in which you are enrolled is updated in line with national industry standards, the Institute reserves the right to transition you into an alternate course. If this becomes necessary, the Institute will advise you of the change and the arrangements which will be available for you to complete your alternate course.

What are the entry requirements? (including Recognition of Prior Learning)
There are no entry requirements for this qualification.

Credit (or recognition) for modules/units may be granted based on previous learning, studies, work and/or life experiences. For more information on Credit visit the Credit Pathways page on TAFE Digital website. https://www.tafensw.edu.au/digital/getting-started/credit-pathways

Please note: Some industries have their own legislative or licensing requirements. TAFE NSW recognition does not apply to these.

Under 17 and wanting to leave school?
If you are under 17 and want to leave school, your options have been affected by a recent change in NSW law. From January 2010 you must complete Year 10 and then continue in either full-time education, training, paid employment or a combination of these options until you’re at least 17 years of age. More information about options
Pathway to university or higher education

Thinking of studying next year? Not sure if you should go to TAFE or uni? Let us help you decide. At TAFE NSW we offer you the flexibility to fast-forward your career with Pathways.

Choosing to study at TAFE before going on to uni can see you graduating and entering a competitive workforce sooner — and not with one, but two, nationally recognised qualifications! For more information visit otten.tafensw.edu.au/uni

From 1 January 2015, all students participating in Nationally Recognised Training in Australia will need to have a Unique Student Identifier, or USI.

This includes students completing an apprenticeship, skill set, certificate or diploma course.

A USI gives you access to your online USI account and will contain all of your nationally recognised training records and results from 1 January 2015 onwards. Your results will be available in your USI account in 2016.

When applying for a job or enrolling in further study, you will often need to provide your training records and results. One of the main benefits of the USI is that you will have easy access to your training records and results throughout your life.

How to get a USI

It is free and easy for you to create your own USI online at usi.gov.au. Your local Customer Service office can also provide further information and assistance. If you already have your USI you can enrol with TAFE NSW.

How do I enrol?

To enrol in this course please click on the Enrol Now button. You may also enrol over the phone by calling TAFE Digital on 131 601.
