Certificate IV in Building and Construction (Building)

TAFE NSW Course Number: CPC40110-01V07 (19OTE-020)
National Course Code: CPC40110
Nominal Hours: 800

Course description
This qualification is designed to meet the needs of builders and managers of small to medium-sized building businesses.

The builder may also be the appropriately licensed person with responsibility under the relevant building licensing authority in the State or Territory. Builder licensing varies across States and Territories and additional requirements to attainment of this qualification may be required.

The qualification has core unit of competency requirements that cover common skills for the construction industry.

The construction industry strongly affirms that training and assessment leading to recognition of skills must be undertaken in a real or very closely simulated workplace environment and this qualification requires all units of competency to be delivered in this context.

Completion of the general induction training program specified by the National Code of Practice for Induction Training for Construction Work (ASCC 2007) is required before entering a construction work site. Achievement of unit CPCCWHS1001 covers this requirement.

Additional units of competency may be required to meet builder registration requirements in various States and Territories.

Licensing/Regulatory Information
Check with relevant state and territory licensing and regulatory authorities. State and territory jurisdictions may have different regulatory requirements.

We highly recommend you complete a personalised career and study profile to confirm this course is right for you, you will find the Career Voyage link below.

To ensure you leave us with the most up to date qualification...
If during or after your enrolment, the course in which you are enrolled is updated in
line with national industry standards, the Institute reserves the right to transition you into an alternate course. If this becomes necessary, the Institute will advise you of the change and the arrangements which will be available for you to complete your alternate course.

**What are the entry requirements?** (including Recognition of Prior Learning)

There are no entry requirements for this qualification.

Credit (or recognition) for modules/units may be granted based on previous learning, studies, work and/or life experiences. For more information on Credit visit the [Credit Pathways](https://www.tafensw.edu.au/digital/getting-started/credit-pathways) page on TAFE Digital website.

**Please note:** Some industries have their own legislative or licensing requirements. TAFE NSW recognition does not apply to these.

**Under 17 and wanting to leave school?**

If you are under 17 and want to leave school, your options have been affected by a recent change in NSW law. From January 2010 you must complete Year 10 and then continue in either full-time education, training, paid employment or a combination of these options until you’re at least 17 years of age. More information about options for school students under 17 is available from our website: [oten.tafensw.edu.au/under17](http://oten.tafensw.edu.au/under17)

**What kind of work could I do?**

- Builder
- Construction manager

**Pathway to university or higher education**

Thinking of studying next year? Not sure if you should go to TAFE or uni? Let us help you decide. At TAFE NSW we offer you the flexibility to fast-forward your career with Pathways.

Choosing to study at TAFE before going on to uni can see you graduating and entering a competitive workforce sooner — and not with one, but two, nationally recognised qualifications! For more information visit [oten.tafensw.edu.au/uni](http://oten.tafensw.edu.au/uni)

**What units will I study?**

- BSB5MBA06A – Manage small business finances
- CPCCBC4001A-UNGRADED – Apply building codes and standards to the construction process for low rise building projects
- CPCCBC4002A – Manage occupational health and safety in the building and construction workplace
- CPCCBC4003A-UNGRADED – Select and prepare a construction contract
- CPCCBC4004A-UNGRADED – Identify and produce estimated costs for building and construction projects
- CPCCBC4005A – Produce labour and material schedules for ordering
CPCCBC4006B – Select, procure and store construction materials for low rise projects
CPCCBC4007A – Plan building or construction work

Trainees: From 2016 if you are starting a traineeship that is on the NSW Skills List, your Smart and Skilled fee for the whole qualification will not be more than $1,000.

This training is subsidised by the NSW government under Smart and Skilled. The
student fee you will need to pay, will be determined according to your personal circumstances and eligibility for a subsidised place. You may also be eligible for a concession fee, fee exemption, or fee free scholarship. Payment made by instalments is available.

You may continue with enrolment into this course if you are not eligible for subsidised training, however the full training fee will be applicable. There are conditions to enrolment if you are a Temporary Visa Holder, to discuss your visa status and eligibility to enrol please phone 131 601.

For further information on fees and charges please see https://www.tafensw.edu.au/get-started-at-tafe-nsw-fees-information

Please ensure to read and understand the associated fee policies and conditions related to withdrawal from a course, applying for a refund of fees, applying for a deferral to your studies, and if you are behind in instalment payments.

For full details on TAFE NSW fees and money matters please visit our website: oten.tafensw.edu.au/fees

I would like to talk to someone before I enrol

Please contact TAFE Digital Customer Service on 131 601.

We are committed to enhancing all students' prospects to reach their potential and achieve a positive future. We recognise that for some students additional support services are fundamental to ensure success. We have the following expert support services available which you may access by calling (02) 9715 8446 or 1300 655 993 to make an appointment: Counselling and Career Development, Disability, Aboriginal, Multicultural, Outreach, Adult Basic Education and Open Learning Centre Support Services.

Need help deciding?

Our free online career and study planning tool can help.

You will receive a personalised career and study profile based on your responses. If you would like to discuss your results in person, please contact our Counselling and Career Development Unit by calling 1300 655 993 or 02 9715 8446. To get started click the link below: www.careervoyage.com.au/oten

Unique Student Identifier (USI)

From 1 January 2015, all students participating in Nationally Recognised Training in Australia will need to have a Unique Student Identifier, or USI.

This includes students completing an apprenticeship, skill set, certificate or diploma course.

A USI gives you access to your online USI account and will contain all of your
nationally recognised training records and results from 1 January 2015 onwards. Your results will be available in your USI account in 2016.

When applying for a job or enrolling in further study, you will often need to provide your training records and results. One of the main benefits of the USI is that you will have easy access to your training records and results throughout your life.

**How to get a USI**

It is free and easy for you to create your own USI online at usi.gov.au. Your local Customer Service office can also provide further information and assistance. If you already have your USI you can enrol with TAFE NSW.

**How do I enrol?**

To enrol in this course please click on the Enrol Now button. You may also enrol over the phone by calling TAFE Digital on 131 601.
