**Unique Student Identifier (USI)**

From 1 January 2015, all students participating in Nationally Recognised Training in Australia will need to have a Unique Student Identifier, or USI.

This includes students completing an apprenticeship, skill set, certificate or diploma course.

A USI gives you access to your online USI account and will contain all of your nationally recognised training records and results from 1 January 2015 onwards. Your results will be available in your USI account in 2016.

When applying for a job or enrolling in further study, you will often need to provide your training records and results. One of the main benefits of the USI is that you will have easy access to your training records and results throughout your life.

**How to get a USI**

It is free and easy for you to create your own USI online at [usi.gov.au](http://usi.gov.au). Your local Customer Service office can also provide further information and assistance. If you already have your USI you can enrol with TAFE NSW.
