

Welcome to OTEN

Welcome to the Open Training and Education Network, known as OTEN. OTEN is the specialist distance education provider of TAFE NSW. We are open for enrolments for most of the year.

If you want to upgrade your employment skills, find a new career or study an area of interest, OTEN could be the option for you.

OTEN has over 250 courses, many of which are accredited under the Australian Qualifications Framework. These courses are offered as distance education courses by correspondence and online delivery.

You can choose the course that suits you most even if your English language skills are not perfect, or if you have a disability, or live in a remote area. If you are not sure what course you want to study, you can speak to a career counsellor here at OTEN.

Do you have training and qualifications from overseas and you are not sure how to get them recognised for study or for employment in Australia?

If you have a disability, you can call the Disability Support Unit on (02) 9715 8601 or 1300 362 890.

To find out more about OTEN and the courses we offer, please contact OTEN Course Information on 02 9715 8333 or 1300 362 346.

If English is not your first language and you need assistance we might have a staff member who speaks your language or we can arrange for an interpreter for you.
